June 1, 2016

Dear Parents,

Earlier this year, I informed the school community of our search for a new principal for the coming year. I am pleased to announce we have found a great candidate to lead Moore Catholic High School into the future.

It is with great pleasure that I introduce Ms. Gina DeSantis as the next principal of our school, effective August 1, 2016.

Ms. DeSantis is no stranger to Moore, having taught science at the school from 2000 to 2003. Prior to that position, she earned a Bachelor of Science degree, Summa Cum Laude from St. Francis College and a Master of Science in Education from Wagner College. She is expected to earn a School Building Leader (SBL) certification from St. John's University in December, 2016. In addition, she was a founding Steering Committee Member for the Staten Island University Hospital High School Lecture Series, a high school moderator for the anti-bullying Ophelia Project and founder and Co-Chair of Marguerite's Way, the fundraising project to celebrate Notre Dame Academy's Centennial.

Ms. DeSantis returns to Moore with a fresh perspective and a dynamic vision for the future, coupled with a desire to work with the Moore Catholic family to implement a plan for continuous improvement at our school.

The Board of Trustees and I are excited to have Ms. DeSantis at the helm and I ask that you join us in welcoming her back to Moore this summer.

I always end my letters with a deep appreciation of the trust you have placed in us as we work to instill a love of God and a love of learning in your children. Please be assured that the Board of Trustees stands with you and with our dedicated staff and faculty as we work to deliver the best Catholic education available for your children.

Now with our new principal in place, I am confident we can all look forward to a bright and successful future for Moore Catholic.

Respectfully,

A handwritten signature in blue ink, appearing to read "Ann Marie Henderson".

Ann Marie Henderson
Chair
Board of Trustees
