Introduction

Moore Catholic High School was founded in 1962 by the late Francis Cardinal Spellman and the Presentation Sisters of Staten Island. Originally an all-girls school, Moore was named after Countess Mary Young Moore, an extraordinary benefactress of the Archdiocese of New York. In September 1969, Moore became co-ed, and in the course of time, our name was officially changed from Countess Moore High School to Moore Catholic High School. In 1966, Moore received its official registration from the Board of Regents as an extension of the University of the State of New York.

Presently, Moore Catholic High School is under the educational direction of committed laypersons, the Daughters of Our Lady of the Garden and the Sisters of St. John the Baptist.

As a Roman Catholic co-ed school, Moore Catholic bases not only its educational purposes, but all its activities on the Christian teaching of the essential equality of all men and women as rooted in the fatherhood of God, Christ's love, and man's supernatural destiny.

Thus, with discrimination so repugnant to our nature and mission, Moore Catholic has not and shall not discriminate on the basis of race, color, national and ethnic origin in the administration of any of its policies or programs.

Moore offers an education that is deeply rooted in Gospel values, and that places great emphasis on our community experience and service to one another.

Our goal is a spiritual, intellectual, and aesthetic preparation for life.

Philosophy and Objectives

Moore Catholic High School is a college preparatory, co-educational, Catholic secondary school, under the educational jurisdiction of the Archdiocese of New York, and a Board of Trustees. We are dedicated to the education of young people according to Catholic tradition and values. We strive for excellence in all areas, seeking to insure that all students develop their full potential to become mature, responsible adults.

The purpose of this Handbook is to inform students and parents of the rules and regulations of Moore Catholic High School. These rules and regulations are set forth in order to foster the efficient running of our school by creating an environment which focuses on respect for others and respect for self.

The code of the Catholic Church Canon Law (#795), revised in 1983:

Since a true education must strive for the integral formation of the human person, a formation which looks toward the person's final end, and at the same time toward the common good of societies, children and young people are to be so reared that they can develop harmoniously their physical, moral and intellectual talents that they acquire a more perfect sense of responsibility and a correct use of freedom, and that they be educated for active participation in social life.

The Moore Catholic High School Community wholeheartedly concurs with the above guideline. In light of this, we strive to:

1. Provide students with knowledge of our religious beliefs, which are based on the Sacred Scriptures, and the teachings of the Catholic Church.
2. Instill a respect and understanding of diverse cultures, races, and religions.
3. Foster a school spirit which encourages mutual respect among students, teachers, and administration.
4. Promote a nurturing and affirming atmosphere so that students may experience a feeling of self-worth.
5. Develop communication and analytical skills, as part of a solid academic foundation for further education, thereby enabling students to make intelligent, informed decisions.
6. Provide knowledge and appreciation of our American heritage and the rights, duties and responsibilities of American citizenship.
7. Encourage our students to volunteer, participate in and support community service and school activities.
8. Encourage good health and physical fitness throughout life.
9. Prepare our students for the 21st century by encouraging a re-examination of the changing roles and responsibilities of men and women in our society.

In order to meet these expectations, we provide:

1. Thorough, organized, and challenging academic programs, which meet the particular needs and abilities of our student population.
2. Encouragement for our students to reach their full potential.
3. Diverse opportunities to participate in extra-curricular and co-curricular activities.
4. A dedicated faculty with a common goal whose teaching is excellent in method and personal in style.
5. Opportunities for family cooperation and support.

The Moore Catholic community is working together to create the future for our Church and our country. In faith and hope, we accept this responsibility.

PARENTS & STUDENTS
“RIGHTS” AND RESPONSIBILITIES

Once students have met the necessary admission requirements and have been accepted into Moore Catholic High School, the school warmly welcomes these students for the coming school year and will strive to provide them with a solid Catholic spiritual and academic education in a supportive learning environment. Students and parents must always be mindful that attendance at Moore Catholic High School is by invitation. It is not a “right” because this is a private school. Admission to and continued enrollment in this school include responsibilities regarding conduct, both inside and outside of the classroom and school, and students are expected to conduct themselves in such a manner as to be a credit both to themselves and to their school.

In order to protect its standards of scholarship, discipline and character, Moore Catholic High School reserves the right, and students and parents or guardians concede to the school the right, to require the withdrawal of any student at any time, for any reason deemed sufficient at the sole discretion of the school and its administrators. With the student’s attendance at the school, a student and his or her parents or guardians acknowledge the important obligations and restrictions contained in this handbook and agree to be bound by the terms of this handbook.

Students attending Moore Catholic High School relinquish certain rights they might otherwise be entitled to if they were attending a public school. For example, a student’s freedom of speech is limited in many important respects here at our school. Speech, either written or oral, contrary to the Roman Catholic faith, the teachings of the church or the directives of the local Bishop or Ordinary is prohibited, as is any other speech which is contrary or disruptive to the philosophy and purposes of our school. Another important right all students at Moore Catholic High School surrender involves searches and seizures. School administrators may search a student’s person and belongings if there is a reasonable belief, in the sole opinion of the school administrator, that contraband, illegal substances or inappropriate objects are being concealed. Any unauthorized items found may be seized. Additionally, student desks and lockers, which are at all times under the joint control of the school and the student to whom the desk or locker has been assigned, may be searched by school administrators at any time, for any reason or for no reason at all. Students should have absolutely no expectation of privacy with regard to any item in their desks or lockers.

Another important right that a student and his or her parents or guardians give up when they decide to have a student attend this school is the right to sue the school, the parish or the Archdiocese of New York, and/or any individuals acting on behalf of the school, such as the school administrators, teachers, staff or any of their agents for any matter relating to academic or disciplinary decisions or other matters covered within this handbook. Each student and his or her parents or guardians, by their acceptance of enrollment at Moore Catholic High School, agree to and accept the school’s rule and policy that students, parents

and guardians may not bring any civil action in any local, state or federal court or in any administrative agency or body to challenge any school decision on academic or disciplinary matters, including any decision relating to the rules, regulations, procedures or programs covered in this handbook which may only be challenged or appealed within the hierarchy of the school, subject to the limitations contained in this handbook. This includes any decision related to a student's enrollment at the school or termination of that enrollment.

While any student and his or her parents or guardians are of course free to consult with legal counsel regarding any school decision taken with respect to a student, the school emphasizes that students and parents or guardians are not permitted to have legal counsel present during any meetings with school administrators. School administrators are not obligated to meet with legal counsel at any time.

“STUDENTS AND PARENTS MUST BE AWARE THAT ENROLLMENT AT MOORE CATHOLIC HIGH SCHOOL AND PARTICIPATION IN ANY CLUB, SCHOOL RELATED EVENT BOTH IN AND OUTSIDE OF THE SCHOOL PREMISES AND MEMBERSHIP ON ANY SCHOOL TEAM, INCLUDES THE STUDENTS’ AND PARENTS’ AGREEMENT AND CONSENT TO BE VIDEOTAPED AND BROADCAST. THIS IS A REQUIREMENT FOR MEMBERSHIP ON A TEAM.”

IF YOU DO NOT WANT YOUR CHILD PHOTOGRAPHED, VIDEOTAPED OR HAVE YOUR CHILD’S IMAGE INCLUDED ON THE SCHOOL WEBSITE, FACEBOOK OR ANY PUBLICATIONS RELATED TO MOORE CATHOLIC HIGH SCHOOL, PLEASE SEND A LETTER TO THE DEAN’S OFFICE.

PLEASE NOTE: IF YOU DO NOT WANT YOUR CHILD TO BE PHOTOGRAPHED AND YOU HAVE A FORM ON FILE INDICATING THE SAME, IT IS THE RESPONSIBILITY OF THE CHILD TO REMOVE HIM/HERSELF FROM PHOTOS AND TO INFORM THE PHOTOGRAPHER THAT THEY ARE NOT PERMITTED TO BE PHOTOGRAPHED.

There are several grounds for disciplinary action or expulsion set forth in the “Discipline Codes” section of this handbook. It should be noted, however, that any listing of prohibited conduct is set forth by way of example only and to provide guidance to the student and his or her parents or guardians. It is not meant to be an exhaustive listing of improper conduct or resultant disciplinary action.

Computer and Internet Use

The school has an Internet Acceptable Use Policy which each student, along with a parent or guardian, must sign before a student can access the Internet at school. The Internet Acceptable Use Policy governs the conduct and responsibilities of each student while they are at school and/or utilizing school computer facilities, network accounts, or sites. This policy, along with the contract can be found on the school website.

Moore Catholic High School recognizes the value of computer and other electronic resources to improve student learning and enhance the administration and operation of its

school. To this end, the school encourages the responsible use of computers; computer networks, including the Internet, mobile devices, and other electronic resources in support of the mission and goals of Moore Catholic High School. It is the expectation of this school, however, that student behavior when using the Internet will be exemplary both on and off school grounds. A Catholic school student always represents his or her school and the school community. Accordingly, students will be subject to disciplinary action by the school for acts such as, but not limited to, harassment or any other type of threatening, sexual or otherwise inappropriate communication that is conveyed via the Internet (or other technological medium or device) regardless of the time of day or the student's location. Such misconduct could result in any number of punishments, including the possibility of suspension or expulsion. Additionally, any student who is found to have authored or contributed to a website or blog that is of a nature which is threatening, profane, obscene, sexual, illegal or contrary to the Catholic mission of the school, will be subject to disciplinary action by the school.

Because the Internet is an unregulated, worldwide vehicle for communication, information available to staff and students is impossible to control. Therefore, Moore Catholic High School adopts this policy governing the voluntary use of electronic resources and the Internet in order to provide guidance to individuals and groups obtaining access to these resources on Moore Catholic High School owned equipment or through Moore Catholic High School.

Academic Policies and Requirements **Admissions Requirements**

Ordinarily, admission to Moore Catholic is at the Ninth Year Grade level. A prospective Moore student must be in the eighth grade at the time of the administration of the Test for Admission to Catholic High School (TACHS). All candidates are required to take this examination, which is a standardized test measuring academic aptitude and achievement in reading, spelling, language arts and mathematics. Selection is based on scores obtained on the Exam, as well as the order of choice as indicated by each student. Candidates must also successfully complete all eighth grade graduation requirements.

Transfer applications are considered for grades 10, 11 and 12. A transfer application should be secured in the Main Office at Moore Catholic several months in advance of the desired transfer. The application and all other information must be completed before a candidate will be considered. Decisions are ordinarily made over the summer for a September candidate. Acceptance is based on many factors, such as recommendations, class average, specific grades, programs of studies, availability of space, etc.

The Program of Studies

The Program of Studies offered by Moore Catholic is college preparatory. Registered by the New York State Board of Regents, our Program of Studies not only meets but also

indeed exceeds the minimum requirements of the State. Where applicable, the courses of instruction are based on the prescribed syllabi provided by the New York State Department of Education. Supplementing these Guides are Curriculum Outlines prepared by the staff of Moore Catholic High School.

The outlines complement our philosophy and objectives. It is our intention that the Program of Studies meets not only the general needs, but also, when we are able, the specialized needs related to the unique abilities, interests and expectations of each individual student.

Accordingly, we have, in the broadest sense, three student groupings: Scholars, Honors and Regents. Students must meet all Regents requirements of Moore Catholic High School. For those students who qualify academically, we offer the Presentation Scholars Academy.

Structure of Moore Catholic High School Academic Program

I. The Presentation Scholars' Academy:

Students are invited to enter this program after having achieved the highest scores on the TACHS and also based on 7th and 8th grade report cards. The level of instruction and teaching strategies focus on using the talents of gifted students. The teachers in the program work closely together in order to discuss their goals and methods of interconnecting and enriching the curriculum areas.

II. Honors Program:

All classes are taught on a level that will challenge each student and meet the individual needs of students as much as possible. Assignments, tests, mid-year and final exams will keep students in regular classes to achieve their highest performance levels and to find a sound foundation in all curriculum areas. Students in these classes are also mandated to pass the Regents examination in the appropriate courses.

III. Regents Program:

During Freshman year students may qualify for our Regents Program which provides additional academic assistance for the Common Core Standards in Math and English.

Moore Catholic High School offers an array of educational support services in order to assist students in their endeavor to succeed in all subjects. Teachers continually hold review sessions before school begins and after school. Also, there are peer tutors so that students can utilize the strengths of their own classmates in order to further understand various concepts.

Transcripts

Each student may request that a transcript of his/her permanent record card be sent to the college or other organization of his/her choice. The first requested transcript is free and a fee of \$5 is required for each additional.

Requests for transcripts after graduation are to be addressed to the Guidance Office of our school and a remittance of \$5 enclosed for each copy.

Grading System

Report Cards are distributed four (4) times a year. The passing grade is 65%. No student will be recommended for college unless he/she maintains an average of 75% or better throughout his/her high school years. When a student is in danger of failing a subject, the teacher may send to the student's parents a notice indicating the reasons for the poor performance. Parent-Teacher Meetings are held after each of the first three marking periods. Parents of failing students are expected to attend Parent-Teacher Conference evenings.

Please note: Each of the four (4) marking periods is worth 20% of the final average. The mid-year exam is worth 10%. The final exam is worth 10%. No mark below 50 will be given without approval of the Principal, BUT the mark given on a Regents exam will be the mark that is earned, and this can be anywhere from 0 to 100.

Academic Probation Policy

When a student manifests poor academic achievement by failing three or more subjects in the first quarter, the student will be placed on Academic Probation. If a student fails one or two subjects in the first quarter, the student **will be given a warning**. The parents will be notified of this warning in a letter which will be sent to them. If the student continues to fail two or more subjects after the second quarter, he or she will be placed on Academic Probation, and again, parents will be notified of this action in a letter sent to them. The following actions are taken when a student is placed on Academic Probation:

1. The student will meet with his or her guidance counselor on a regular basis.
2. A parent conference will be arranged with the Principal and a member of the Guidance Department to determine the status of the student at Moore.
3. The student will be required to participate in a program of study sessions which will occur after school hours. They are mandatory for students who wish to remain at Moore Catholic High School, and therefore, they take precedence over **ALL** other commitments, including extracurricular activities. **The student will be expected to attend one session each week for two failures and two sessions each week for three or more failures.**
4. **Students receiving three or more failures will be suspended from participating in ALL extracurricular activities, including sport teams, clubs and school plays immediately, pending grade remediation.**

Mid-Year and Final Exams

Absence - Parents must notify the school on the day of a student's absence. Absence from a mid-year or final exam requires presentation of a Doctor's note upon return to school.

Passing of Subjects, Failures and Summer School

If a student – Freshmen, Sophomore, Junior or Senior – fails on the final average (64.4 or lower) in any subject or subjects, he/she must attend Moore Catholic Summer School. In the event that a subject is not offered in Summer School (e.g., some of the elective courses), appropriate arrangements must be made with the Principal and/or Vice Principal. Non-participation in Summer School or in the above-mentioned “arrangements” means, in effect, that a student has resigned from Moore Catholic High School.

Freshman mid-year (**January**) grades will be carefully reviewed. Freshmen with three or more failures may not be allowed to continue at Moore. Each case will be decided by the Principal and/or Assistant Principal of Academics.

If a student has failed any three academic subjects on the final average, the student may not be allowed to return to Moore Catholic High School.

Seniors must pass **ALL** their subjects (required and elective) in order to graduate.

Any student with two final failures in June will be placed on Academic Probation for the following year. The student may be dismissed from the school at the end of the first semester if that student acquires three or more semester failures in January.

Physical Education

It is mandated by New York State that each student participates in Physical Education classes. Publication of the regulations regarding the conduct and requirements of Physical Education classes will be the province and duty of the Departmental Coordinator.

Guidance Services

Guidance services are regarded as an integral part of the educational process. Counselors provide educational and personal-social guidance. The counselor assists the student as an individual to make appropriate and satisfying educational choices and adjustments to the school environment. This process includes the development of self-

understanding and self-acceptance, the appraisals of the realities of the student's present and probably future socio-economic environment, and the integration of these two variables.

The counselor works closely with parents and the school staff and will assist the student where any personal problem seems to be impeding school potential. Students and parents are urged to contact the counselor at any time during the school day.

Testing Accommodations

At Moore Catholic High School, the following types of plans are honored:

- Individualized Education Student Plan – IESP
- Services Plan – SP
- Archdiocese Student Assistance Plan – SAP

The only accommodation we honor at Moore Catholic High School is extended time testing on exams longer than 45 minutes in length. There is no picking and choosing for which exams a student can receive extended time. If a parent/guardian decides that a child no longer needs extended time on his/her exams, then a formal written letter must be submitted to the guidance department. Students may opt out of extended time for individual exam periods.

IEP's must be converted to IESP's and 504 plans must be converted to SAP's for implementation at Moore Catholic. IEP conversion occurs at the Committee on Special Education, (718) 420 – 5790. Conversion of 504 plans occurs at the Archdiocese of New York, (212) 371 – 1000. If a student no longer needs his or her IESP, a formal letter must be written to the Committee on Special Education and a copy of the letter must be sent to the guidance department.

Students who are allowed SETSS services on their IEP's may take advantage of the provider on site.

Parent-Teacher Meetings

1. (a) Freshman parents are asked to be present at a meeting in the early fall. A General Assembly is held after which parents follow their son's/daughter's daily schedule. Parents will meet each teacher to learn the general format of the class, method of teaching, grading, assignments, means of communicating with each teacher, etc.

(b) Sophomore, Junior and Senior parents meet with administration, guidance and faculty in the fall to review objectives and policies for the year concerning each grade level.

(c) Junior and Senior parents will also meet with the Guidance Department to discuss the college application process and financial aid.

2. Parent-Teacher meetings are also held during the school year after the first, mid-year and third report cards. Parents are invited to attend these meetings; however, parents of those students who fail any subjects during these marking periods must attend the meetings and speak to their son's/daughter's teachers.

Regulations on Student Life and Conduct

1. Introduction

In becoming a student of Moore Catholic, in effect, you have entered into a contract with the school where you agree to cooperate with all school regulations and to be the best representative of the values and beliefs of your school on all occasions, either in school or out of school.

Complete supervision of each student in all school situations is neither possible nor desirable. The primary discipline is self-discipline. Since there are also many situations for which there are no detailed regulations, good order, seriousness of purpose, and concern for others are the guidelines to be used in judging the appropriateness of any action.

Should the administration of Moore Catholic High School deem that it does not have appropriate placement and/or resources to appropriately educate a student, he/she will be dismissed.

2. Disciplinary Policy

Since discipline develops acceptable standards and habits of conduct, it is one of the most important characteristics of our school program. The student grows in character as he/she comes to understand more fully the consequence of his/her decisions.

In order to insure the smooth running of the school, all students are requested to follow the rules and regulations. The Office of the Dean of Students is responsible for the overall discipline and good order of the students.

Students who disobey the rules of the school demonstrate poor judgment and a lack of self-discipline. These students will be given an appropriate detention. A record of detention for all students is kept on file by the Dean. Parents will be informed by means of a phone call or e-mail of any serious infraction of school rules by their son/daughter.

The school reserves the right to dismiss, at any time, a student whose conduct is not in keeping with Moore's philosophy and objectives. Among the offenses which may involve dismissal are serious or habitual disobedience and/or disrespect to school authorities or other students, continued lack of serious study, stealing, destruction or vandalism of school property, the possession of weapons or objects which in the Principal's judgment are determined to be potentially harmful or life-threatening, the possession and/or use of alcohol or drugs, repeated misconduct on public transportation, inappropriate use of all forms of the Internet and social networks, and sexual harassment.

When such serious offenses occur, all decisions and/or penalties will be imposed only after one or more administrative/parental conference(s) have been held. Each student and family will be extended every courtesy and right required by Christian charity and justice. When such decisions are made by the Principal and appropriate administrative personnel, such decisions will be based on the well-being of the individual student, as well as the common good. Collaboration and consultation are our guiding principles.

It is the expectation of this school that student behavior is exemplary both on and off school grounds. A student always represents his or her parents and the entire school community whether wearing the school uniform or not. Therefore, the school reserves the right to discipline students for acts such as, but not necessarily limited to, stealing, fighting, vandalism, harassment, bullying or any other type of threatening or inappropriate misconduct (in person, via the telephone, the Internet and all forms of social media) and prohibited use of personal electronic devices, including but not limited to cell phones, cameras, camera-phones, and the like.

Such misconduct could result in any number of punishments, including the possibility of suspension and/or expulsion.

Lastly, a child's arrest for a crime on or off school grounds, within or beyond the vicinity of the school, at any time could result in the child's suspension or expulsion. A child's conviction of a crime on or off school grounds, within or beyond the vicinity of the school, will likely result in a child's expulsion.

3. Attendance

Regular and punctual daily attendance is essential for the academic success of any student. Lateness/tardiness disturbs the good order of the school and is detrimental to the student's achievement of personal responsibility.

Students are to arrive in full uniform and must congregate in the cafeteria. The Academic areas are off limits until 8:10 A.M.

Homeroom starts each day at 8:25 A.M. If a student is not in Homeroom at 8:25 A.M., he/she is considered late for school and must report to the Dean's Office for a late pass. Late students will not be allowed in homeroom without a late pass.

PLEASE NOTE: Absences and lateness become a part of the student's permanent record.

In order to maintain an orderly academic atmosphere, for the safety of our students and to maintain our standards, the following processes have been established:

I. Absences:

- a. On any day a student is to be absent:
A phone call by a parent or guardian to the school (718-761-9200 ext. 116) before 9:00 A.M. is required.
NOTE: This applies to each day a student will be absent. It is the responsibility of the parent to notify the school of the student's absence.
- b. Upon the student's return to school:
A note, signed by a parent or guardian only, stating the dates and reason for absence is required. The student should give the absence note to the Homeroom Teacher. Students who do not bring in a note within 3 days from his/her return to school will be given detention by the Homeroom teacher.
- c. Absences of 3 or more consecutive days require a doctor's note prior to student's return to school.
- d. If a returning student requires crutches, cane or any assisting devices, a doctor's note indicating that the student may return to school is required to be submitted to the Dean's Office.
- e. Any medical problem requiring special consideration must be brought to the attention of the Main Office. A letter from the Doctor must be brought to the Dean's Office and kept in the student's file.
- f. **Students who are absent from school on a given day MAY NOT participate in any afternoon or evening activity sponsored by the school on that day including Driver's Education. Violation of this rule will result in disciplinary action.**
- g. **Excessive Absences** - A cumulative absence record of more than 20 days for any school year is considered excessive.

- h. **The only legal reason for absence is illness.** The school calendar is provided to each family in August, prior to the beginning of the school year, and **we ask that family plans, vacations be scheduled as not to incur unlawful absences.** Seniors should avoid scheduling college visits when school is in session. **Unlawful absences occur when a pupil is absent with the knowledge of his/her parent for other than a legal reason.** Such excuses as the following come under this heading: vacation, needed at home, caring for sibling, overslept, etc. A student who is expected to be but who does not attend for other than lawful reasons is truant.
- i. **Students who are absent for 5 or more days in a marking period,** without serious medical condition, **(DOCUMENTED AND APPROVED BY THE ADMINISTRATION)** will:
 1. **Incur academic consequences, including failing for the marking period.**
 2. **Be required to have a parental conference regarding absenteeism.**
 3. **NOT PARTICIPATE IN ANY school related activity for the remainder of the marking period.**
- j. **Explanation of Excused and Unexcused Absence, Tardiness, and Early Dismissal:** The school administration makes the final determination as to whether an absence or tardiness is excused or unexcused. The following reasons for absence or tardiness may be considered as excused: sickness, sickness or death in family, court appearances, and/or suspension.
- k. It is the responsibility of the student to obtain from each of his/her teachers whatever assignments or tests must be made up. Students should check Plus Portal when they are absent.

II. Lateness:

- a. If a student is late for school, he/she should report to the Dean's Office for an Admit to Class Slip. Any lateness without official documentation will not be considered "excused" by the Dean's Office. Notes or phone calls from parents are not considered official documentation.
- b. **If Parent/Guardian is aware that a student will be late:**
A phone call to the school (718-761-9200 ext. 116) by Parent /Guardian is required, and the student must present a note of explanation to the Dean's Office immediately upon returning to school.

- c. Students who miss any classes due to unexcused lateness (excused lateness will be decided by the Dean of Students) will be considered cutting class. This includes classes that are scheduled for period A.
- d. Students who are late for Homeroom and/or classes will be subject to disciplinary action.

III. Early Dismissal:
